

# Merope Department

## Context

This volume today is a update on what we are doing currently. And update on new information.

It is the first time that we include member produced content.

As always this is a piece of publication of members focus and mostly about what we are focusing on lately.

## Japanese Literature Work

Japanese Literature work is one of the main topic that we will start on researching and analyze on. Now for starter, we are focusing on author Osamu Dazai, [太宰治] his work would be the main focus for now

Here is a list of content we will work on:

- A Golden Scene (黄金風景)
- アイ キャン スピーク (I can speak)
- 郷愁

## 望諸君

時日昏暗，成就偉大需要擁有異於常人的覺悟。除了直面傷痛，永不言棄外，還望諸君能吞聲忍恨，忍辱負重。土壤才是種出美麗果實的根本條件，往往他人所注視的，是結成果實的偉大瞬間，但卻忽視了真正成就偉大那從改良土壤起的漫長旅程。

如今我等面對外憂內患加上如此貧瘠之土壤，怨恨與憤怒亦能理解，也總會打從心底裏恨鐵不成鋼。但懇請諸君能夠明白怨恨土壤總不能變出良田，種出果實是我等的責任，亦是各位應有之覺悟。因此，面對旁人冷眼，無知者那傲慢無禮，望諸君能忍辱負重，繼續默默耕耘，培育良田。

- Darren

## A small Town

A while ago, I went to a small town, it is a place that I never been. It is quiet, very quiet. All I can hear is the sound of wind. This bring me to thing do I rather live in a city or a town.

The answer is not quite clear for me. I rather have the convenient of a big, but I like the vibe of a small town. I got the chance to do both, but I would need to compromise some at the same time. A quite place would have good air quality and friendly neighbor which helps my mental health. A city helps for commuting and not wasting time on travel.

No place is perfect, compromise is needed to make yourself comfortable. You get to learn to comply in an environment, not the other way. Find a place where you can settle with comfort and merge yourself into the place would be the best way to go.

- Austin

## Publication Information

Date: 2/7/2021 Revision: 1.0 Number of Page: 1 Page Size: Letter Size

Author: Austin, Darren Revisor: NLA

## New Development of Project management

As of June 23, we are developing a new code based project management system. The system helps us for a easier tracking of progress of each project. It also helps for future becoming formalize.

What we know now:

- The system will based on 0 to 100
- The system will breaks down into detail workflow

## Our introduction

The introduction have been posted out in our Instagram page "merope.dearment.shelter". Follow us on there. It include our core value and what does we actually mean.

Introduction for us is a milestone, it helps us to held more event and create more content in the near future.

It's been a long time, and finally it is here.
